## The HDTV Accessory Kit includes everything you need in one package to install an HDTV flat panel display.

**Kit Includes:**

Model: AVKUFM
Suggested Retail Price: $199.99
UPC: 8 29973 25925 9

### (1) HDMI Cable
- o Length - 3 meters (9.84 ft.)
- o High performance - meets HDMI Version 1.3a specification
- o Supports Full HDTV - 1080p resolution
- o 30 AWG copper cable
- o Gold plated connectors

### (1) Surge Protector
- o 8-outlets
- o Lightning and Surge protection
- o Protects coaxial cable - preserves HDTV system performance:
  - Shields cable/satellite TV box, cable modem or other coax devices from damaging electrical surges
  - Keeps HD images pristine via 2.2 GHz bandwidth and ultra low signal attenuation (<0.5dB)
  - Maintains "on demand" ordering capability with most service providers
- o 3 outlets spaced for AC adapters
- o UL 1449 compliance
- o Color coded safety shutters protect unused outlets
- o EMI/RFI filtration - reduces noise approximately 40dB
- o Power cord: 3 feet long, 14AWG
- o Electrical rating: 15A/125V/60Hz/1875W

### (1) Wall Mount – for LCD flat panel displays (Model: PTM)
- o Fits most 37" to 61" flat panel displays
- o Low Profile Design - stands less than 2" off the wall
- o Griplate™ System supports TV without requiring excessive torque on mounting hardware
- o Lateral shift for precise placement
- o Leveling feet for perfect vertical adjustment
- o UL/CUL listed
- o Lifetime Warranty
